Good afternoon,

Hope all is well during this challenging time. There have been so many changes recently due to litigation and COVID-19. What are the latest 56.11 protocols with regard to trash and debris, illegal dumping and bulky items? Also, are CARE and CARE Plus teams able to do anything to ensure encampments are in compliance with social distancing? Any information you could provide would be greatly appreciated.

Thank you for all your work toward keeping the City clean!

Best,
